

CURRICULUM VITAE

GIUSEPPE (GIANNI) SEMPRINI

Educational qualification : University degree in Law

He was designer and manager of trade exhibitions (Japan Car, Veterinaria, Sport-Show, Securtech) at Fiera Milano, BolognaFiere, Fiera di Rimini.

He was communications manager at Mipel (Bag Trade Show), MICAM (Footwear Trade Show), Modit (Fashion Trade Show).

In 2000, he coordinated the IPO of e-mondo.com, a B2C and B2B e-commerce company, for the stock exchange listing at the AIM (List of High-Technology Stocks) of the London Stock Exchange.

Since 2000, he has been partner and development manager at SPA StudioPiccioliArchitetti (www.piccioliarchitetti.it), where together with the Branch SPA&A, a company for architectural design and urban planning, he has been dealing with foreign markets.

From 2002 to 2006, after being appointed as Counsellor of the Deputy Minister of the Ministry of Infrastructure and Transport, Mr Ugo Martinat, he was responsible, in his capacity as urban and local marketing expert, for drafting the so-called “Legge Obiettivo (Objective Law) for Cities and House-related Taxes” at the Technical Secretariat of the Ministry itself.

Since 2008, he has been the Italian contact person of Obiettivo Qatar (www.obiettivoqatar.com), an advisory company for the production and trade market penetration in Qatar.

Since 2010, he has been General Secretary of Agenzia Libia for the development of the cooperation between Libya and Italy. CURRENTLY IN STAND BY.

In 2012, he became CEO of GS – Green Technology Consulting, in order to select and search for Italian companies in the Environmental Sector and in the HEALTH and CARE Sector for setting up JVs in China.

He collaborates with Cisef International as an expert on the internationalization of Italian manufacturing and trade companies in compliance with the Italian Simest Laws for the penetration programmes in non-EU countries.
